

Godfrey Hirst

Timber

With a real European Oak surface, Corsica Oak provides a unique look for your home with true-to-life distinct knots and grain variation. The contemporary range of colours are all Medium Feature Grade, which offers a clean yet distinctive character in every board and every floor. Finished with a high quality German lacquer and a light brush veneer, Corsica Oak has the timeless look and feel of luxury.

Every timber floor is different, and will always vary from any images or samples with colour, grain and textural variation. The illustrated patterns and colours/samples are only an image/example and not a full overview of all the different nuances within the natural unique design of a timber floor. Colour appearance can also vary depending upon the type of light under which an image/sample is viewed and light sources where the flooring is installed. For a representative view of the surface structure and variation of a board take a look at the large samples and ask your Godfrey Hirst account manager. *This product comes with a residential warranty for new product installed indoors in a residential home, if properly installed and maintained. This warranty is in addition to consumers' rights under the statutory consumer guarantee provisions in the Australian Consumer Law, which may exceed the rights under this warranty. The amount recoverable under the warranty decreases after fifteen years. For full information in respect to the scope and limitations of this warranty, please refer to the full terms and conditions available from your retailer, by calling 1300 444 778, or by download from www.godfreyhirst.com. *Nested/Random lengths may occur. As this is a natural product, some boxes may include one 'nested' board (i.e. two boards comprising of the quoted board length). All boxes will provide the coverage quoted. As part of Godfrey Hirst's continuous improvement process, Godfrey Hirst reserves the right to change the specifications of or delete colours of this product without notice.
